

M-Pathways 9.2 Financials Upgrade May UL Meeting

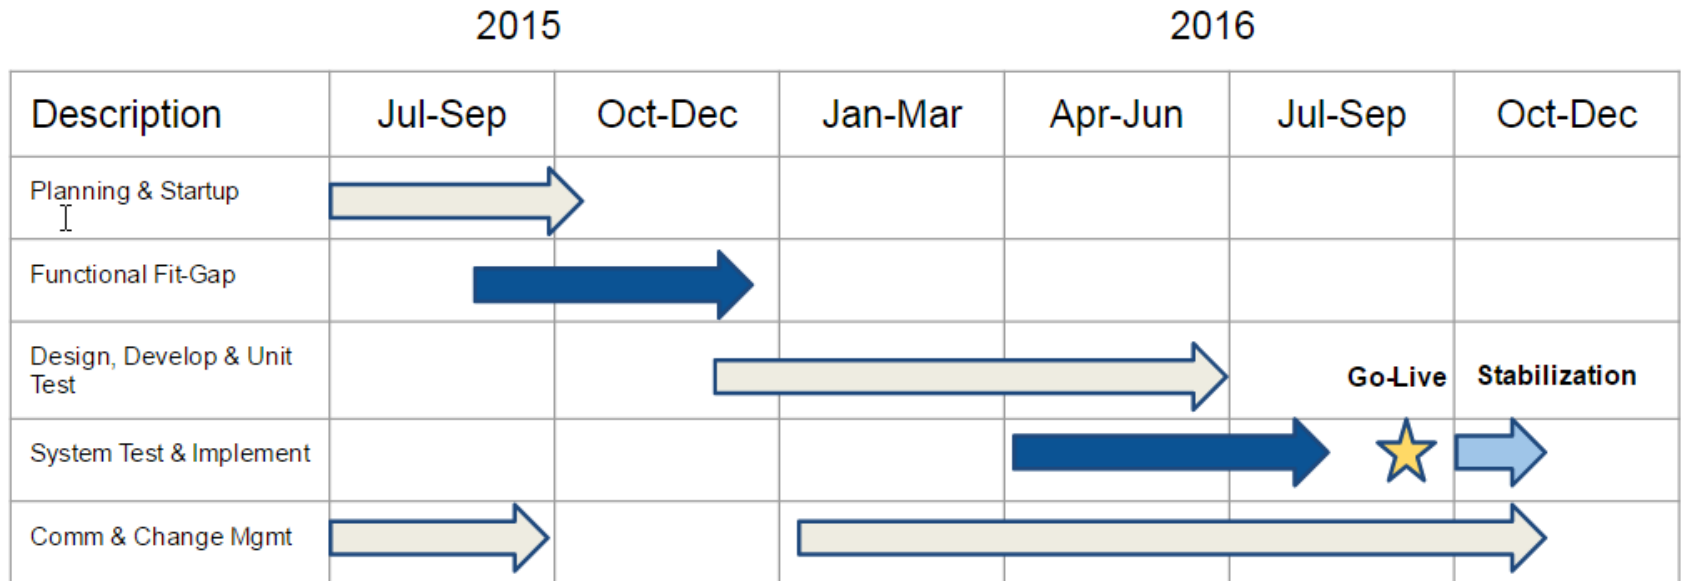

May 11, 2016

Why Upgrade?

- **Maintain Compliance**
 - PeopleSoft Financials 9.1 Support Ended November 2014
 - We are in Extended Support that Ends November 2016
- **Upgrade Supporting Database and Infrastructure**
- **Capitalize on Opportunities**

When is this Happening?

- Go-Live is currently planned for September 14-19, 2016
- System outage ***tentatively*** scheduled to begin 5:00 PM Thursday, September 14
- The new system will be available Monday morning, September 19

How does this Effect Me?

- Overall the new system will closely mirror the existing application
 - For most users there will be little to no change
- There is a new look and feel to some areas
- New features are being introduced to various modules

Project Resources

- Project Website:
 - <http://www.mais.umich.edu/fin/upgrade/>
- Targeted Communications
 - Users will receive regular communications throughout the project
 - Updates will increase in frequency as we near implementation

Project Resources

- Interchanges
 - Provide a deeper dive into changes for specific areas
 - Open to all M-Pathways users
 - Scheduled to occur August / September 2016
- My LINC
 - Provides detailed job aids and additional training resources
